WORK EXPERIENCE

UX Designer (dual study programme) 08.2022 – Present
econcess GmbH · Full-service digital agency

UX & Design

- Created UX and web design for websites and online shops of a wide range of B2B clients over more than four years – from understanding client needs to the handoff to development.
- Mentored other UX students at the agency.
- Moderated client meetings and presented design concepts and results.
- Created graphic design for the agency's own documents and for clients.
- Worked with various CMS (Magento 2, Joomla, WordPress, TYPO3).

Acquisition

- Responsible for the acquisition process.
- Analysed public tenders and prepared the agency's offers for them.

Online Marketing

- Part of the online marketing team.
- Responsible for maintaining the agency's own website – content, updates and design.
- Managed the agency's social media platforms and created the content for them.

EDUCATION

Bachelor of Science in User Experience Design (dual) 10.2022 – 08.2026
Technische Hochschule Ingolstadt · Practice partner: econcess GmbH

Bachelor's thesis (grade 1.7): "Integrating human-centered design into the service processes of small digital agencies – an empirical study"

Baccalaureate – Mathematics and Natural Sciences profile 2015 – 2019
Colegiul Național „Petru Rareș" · Piatra Neamț, Romania

AWARDS (PROJECTS)

Sport Positive Award, category "Inspired Innovation" 2026
International award for sustainability in sport · for the project and the econcess-built portal on sustainable sporting events (my part: web design & art direction)

Humboldt Prize for Sustainability, 1st place – Transfer category 2025
for the project of the German Sport University Cologne and the econcess-built web portal

VOLUNTEERING & SIDE JOBS

“Ludoteca” project – volunteer 2016
Association “Comunitatea Noastră” · Piatra Neamț, Romania

- Developed, together with the association, the idea of bringing young people together and educating them through board games in local cafés.
- Implemented the project with the partner café “aRawmatique”, which provided the games for young people.
